TIE BREAK FORMAT

1. Most Points
2. Head to Head
3. Most Wins
4. GF Average
5. Least Goals Against
6. Least Penalty Minutes
7. Fastest first goal in first game of round robin
8. Most goals for
9. Most assists
10. Coin toss between team officials

HOW GF AVERAGES ARE CALCULATED

GF averages are calculated by taking the number of goals scored and dividing it into the total of goals scored plus goals against. The team with the highest percentage being awarded the highest position

EXAMPLE

A team that has scored 54 goals while letting in 9 would have a GF average of 0.8571 calculated as follows:

54 plus 9 = 63

54 divided by 63 = .8571

NOTES:

1. The Shanahan International Ice Hockey tournament uses only GTHL referees who adhere to all of Hockey Canada's penalty standards with the strictest enforcement of all check from behinds and stick infractions and have no latitude to replace any of these infractions with a lesser penalty. If you have any questions about the standard of refereeing you will see in the this years Shanahan tournament we encourage you to contact Peter Kourtis, Manager of GTHL Hockey Operations at 416-636-6845 or email him at pkourtis@gthlcanada.com with your question.

2. There will also be an on-site GTHL referee supervisor stationed at Westwood Arena for the duration of the tournament that you may speak to regarding clarification of any call.

3. There shall be NO PROTESTS. The decisions of the Tournament Committee shall be final. The Tournament Committee reserves the right to rule on items not previously covered.
